ABOUT THE INNER CIRCLE

The Inner Circle is a year round, one-stop shop for studio owners who want to transform their studio from a 'hobby' to a bonafide business that runs smoothly and efficiently with or without their day-to-day involvement.

"Being in the Inner Circle has totally changed my life. I really feel like I was running my business pretty much alone for so many years, and now I have this incredible family and support system around me."

- ALISA FINNEY

"Recital tickets went on sale to our studio members an hour ago, and we've already sold \$8k in tickets. That is enough to cover the theater rental costs and then some! Thank you, IC, for encouraging me to check my numbers. I hesitated to charge the higher price, but now I can't wait to see my recital profits soar this year!"

- SARA CLAYTON WARDELL

"My personal life has really taken a 180. I was working 7 days a week and wasn't spending much time with my family. But in the past few months, I've been able to reduce my hours by 15 hours each week and I'm at home 5 nights a week."

- LINDSEY HADLEY

THE INNER CIRCLE

The Inner Circle is the only comprehensive business coaching program for dance studio owners!

Other programs focus on *parts* of owning a studio...

Only the Inner Circle delivers the all-inclusive systems to increase enrollment, get control of finances and support YOU in achieving the career and freedom you deserve!
